SESAME STREET FOREST OF FUN AT BUSCH GARDENS—SUNNY DAYS CELEBRATION, GOIN' COUNTRY AND FESTIVALE ITALIANO

They certainly can twist, turn and twirl. But they're not roller coasters. They're entertainers—the incredibly talented musicians, dancers and performers who rule the stages and streets of Busch Gardens. And with three totally new shows premiering this season, they're making the park more entertaining than ever.

Shout “bravo” in Italy, where *Festivale Italiano's* colorful and fast-paced performances spill off the stage of Il Teatro di

San Marco and into the piazza. Tap your feet to popular country music in New France, where bands and singers blend timeless favorites with the contemporary country sounds you love in *Goin' Country*.

Feel like clapping your hands and dancing? Meet up with Elmo, Abby Cadabby, Grover, Cookie Monster and Zoe for a *Sunny Days Celebration* that's “Hot! Hot! Hot!” With performances throughout the day, you can dash through the kids' splash zone and then come back for an encore.
