# Welcome

Thank you for choosing Busch Gardens Camp for your child's summer camp program. We are dedicated to creating a safe, enriching and fun atmosphere for all of our campers. We provide memorable experiences that will last a lifetime. Busch Gardens Camp programs are accredited by the American Camp Association (ACA). To achieve and maintain this accreditation, Busch Gardens Tampa Bay complies with or exceeds standards set by the ACA.

## Staffing

The Education Department at Busch Gardens has a year-round team of experienced camp personnel. The senior camp team has years of experience teaching students of all ages. Our seasonal camp counselors are highly motivated, experienced college students and teachers that are carefully selected and screened. All camp staff participates in a wide range of training including classroom management, child development, and discipline strategies. Our counselors possess American Red Cross (ARC) First Aid/CPR/AED certifications, medication administration training, and review safe driving practices. It is our goal to ensure a safe and enjoyable camp experience for all.

## Things to Share with Your Camper

Whether you are 6 or 96 years old, homesickness is a very normal reaction at camp. The combination of unfamiliar surroundings and new people can be unsettling at first. We encourage parents/guardians to thoroughly read through the confirmation packet and to address expectations with your child in preparation for camp.

Following arrival and check-in, campers participate in several "icebreaker" activities to help everyone get acquainted. The activities are simple and include topics such as favorite animals, favorite hobbies or even why they decided to attend a Busch Gardens Camp.

Campers will be experiencing the fun of Busch Gardens Camps for an entire week! Please remind them we will not be able to do all of the major attractions in one day and if they don't get to ride their favorite ride on the first day, it will probably be something we do on a different day!

## Busch Gardens Camp Goals

Based on a long-term commitment to education, Busch Gardens Camp strives to provide an enthusiastic, imaginative and intellectually stimulating atmosphere to help campers develop a lifelong appreciation, understanding and stewardship for our diverse natural environments and resources.

### **Busch Gardens Camp goals are...**

- to create a stimulating environment that encourages campers to become stewards of the natural world
- to focus on creating an atmosphere of building self-esteem in our campers with positive interactions and situations that build confidence
- to provide campers with opportunities for team work and problem solving

Our goals encourage our campers to be future ambassadors for this world we all share. You can be a part of this outcome with your camper by simply asking them the following questions each day after camp.

*What animal(s) did you meet/see today?*

*What did the animal feel like?*

*What did the animal eat?*

*What did the animal look like?*

*What did you learn about today?*

*What was interesting about it?*

*What activity/craft did you do today?*

*What attraction did you experience today?*

*How did the habitat design help the animal living in it?*

*What was unique/special about the animal's habitat/area?*

*Where does the animal(s) that you learned about today live in the world?*

*What animals do you see near where you live?*

# Registration Forms & CampDoc

All confirmation packet components, including health history and release forms, need to be completed and signed prior to camper participation in any camp.

Busch Gardens Camps partners with CampDoc.com, the leading electronic health record system for camps. You will complete and sign your camper's health information and releases electronically! The security and privacy of your camper's information is very important to us. The CampDoc.com site is secure, encrypted and password protected. Only the Busch Gardens Camps team will have access to your camper's information.

Having signed up for camp, you will receive an "Invitation" email from CampDoc.com. This "Invitation" email will include instructions on how to create and track your unique account. CampDoc.com sends out periodic reminder emails for incomplete information. These notifications will come from CampDoc.com, so please add this to your safe sender list to avoid accidental delivery to junk and spam folders.

Please note that CampDoc.com supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information. If you have any questions regarding CampDoc.com, please contact us at [education@buschgardens.com](mailto:education@buschgardens.com).

Please plan to review, complete, and sign ALL confirmation materials at least three weeks prior to your camp date. Be sure to review the insurance information, medical history and over-the-counter medication forms carefully.

## Registration Check List

Here is a check-list of all forms you will have access to on your camper's CampDoc profile. Registration is complete once you have reviewed and electronically signed all forms listed below:

- Camper Information and Health History
- Camper Medication Information and Over-The-Counter release
- Medical Consent and Assumption of Risk
- Photo Release, Liability Release, Voluntary Assumption of Risk and Indemnity Agreement

This profile must be fully completed prior to the camper being admitted into the program. If you do not receive your link or need to change the email associated with the camper's profile, please contact us at [Education@buschgardens.com](mailto:Education@buschgardens.com).

# Arrival

## Monday Morning

On Monday morning, check-in begins at 8:00 a.m. and lasts until approximately 8:30 a.m. After parking your vehicle, please proceed to the check-in table and follow all instructions given.

Camp Staff will confirm we have received your completed registration forms. You will also need to confirm that all people authorized to pick up your camper have been added to the TRUSTED CONTACTS section of CampDoc (Including parents/guardians and emergency contacts). All names in CampDoc profile must be legal names listed on identification, no nicknames or shortened names. Please note that any missing forms from your CampDoc profile will need to be completed at this time and will delay your child's check-in process. Please arrive on time as late arrivals may miss program elements and will experience check-in delays.

Upon the campers' arrival, Camp and Health Service staff will review any medical concerns with campers & parents individually. Some examples of questions campers could be asked include any changes to medications they are taking, current health status, any cold symptoms, or special medical needs. Health history summaries are confidential and remain with the counselors during the course of the program. Campers (and their parents) may be required to visit the Health Service's Station if:

- They are checking in medications
- Discussing any specific medical concerns
- Reviewing any paperwork completed during check-in

Once campers have visited the check-in table and the Health Services' station (if applicable), they can proceed to the final stop, the T-shirt station to receive their camp shirt.

After visiting all three stations, campers will be escorted by camp staff to the Welcome Pavilion, where they will meet their counselor and receive a camp water bottle. Once all campers have arrived, campers and their counselors will leave the check-in area to begin their day.

## Remainder of Week

For the remaining week of camp, check-in will be from 8:00 a.m. to 8:30 a.m. only. We recommend limiting the people arriving to only the camper(s) and their parent/guardian when possible.

Upon arrival each day, please park your car and walk your camper(s) to the Check-in table and sign them in. If your child will be late or absent, please call the Camp Leaders On Duty between 8:00 a.m. to 8:30 a.m. at (813) 600-0178. Unfortunately, missed days are not refundable.

**NO PETS are allowed on property, please leave pets at home.**

## Medication

Prescriptions and over-the-counter medications must be given to health services staff during check-in. Only Health Services or trained Camp Staff will administer medications, as prescribed in writing by a physician, or as indicated by the manufacturer's directions. All medications must be in their original containers displaying original labels with a physician's instructions or with manufacturer's directions. During the check-in process, a Busch Gardens health services staff member will confirm and collect any medications from the camper, ensure medication is in its original container, and log dosage information for counselors to reference throughout the program. We recommend not bringing unneeded over-the-counter medications since Busch Gardens will provide most over-the-counter medications as needed. Medications will not be dispensed without written physician and/or parent/guardian permission.

While at camp, campers may experience certain general ailments such as headaches, upset stomach, menstrual cramps, cuts or scrapes, etc. The Busch Gardens' Medical Director has provided an appropriate dosage for the over-the-counter (OTC) medicines provided by the park. These medications do not need to be sent with your camper. See CampDoc for the OTC medications we provide. Please contact us if you have questions regarding OTC Medications.

## Directions to Check-In

Enter Busch Gardens through the "Bus Drop-off/Pick-up" entrance on the west side of 40th Street (McKinley). Follow the Busch Gardens Camp signs towards the main entrance of the park to the security gate. The entrance to the security gate is to the left of the main entrance of the park. Stop at the security gate and present the vehicle pass to the guard on duty. (Be prepared for a brief vehicle search, which is a routine procedure for any vehicle entering a back area). No pets, please. After the security gate, please proceed slowly and follow the directional signs to the check-in area.

# Dismissal

Camper Dismissal will take place from 3:00 p.m. to 3:30 p.m. each day. We recommend limiting the people arriving for dismissal to only the camper(s) and their parent/guardian when possible.

Upon arrival, please park your car and proceed to the pick-up area.

A **mandatory** I.D. check is in effect to pick up all campers. Only adults 18 years of age and older who have been authorized on the camper's CampDoc profile are permitted to pick up the camper. There are no exceptions to this rule. All names in CampDoc profile must be legal names listed on identification, no nicknames or shortened names. Only government-issued identification will be accepted. Camp Staff will verify your I.D. against our authorized pick-up list and have you sign-out your camper(s).

Anyone not listed as a TRUSTED CONTACT on the CampDoc profile who arrives to pick up a camper must be verified by Camp Staff via phone call directly to the parent/guardian. Under no exceptions will campers be released to an unauthorized individual without verbal consent directly from the parent/guardian.

Campers at Busch Gardens are to be picked up at the Welcome Tent (the same location where they were dropped off).

## Late Pick-up Policy and Fee

Please note that dismissal ends promptly at 3:30 pm, after which time we reserve the right to charge \$1.00 per minute until the camper is signed out. There is no cut off time for this fee and the authorities will be notified for any children left at camp one hour past camp end time.

## Early Pick-Up

If a camper needs to be picked up before 3:00 p.m., please notify Camp Staff during check-in that morning. All early pick ups must take place prior to 1:45 p.m. All camp staff are preparing for Camp Dismissal from 1:45 p.m. to 3:00 p.m. so we are unable to accommodate any early pick up requests during that time. To help us ensure that your child is ready to be picked up at the appropriate time, or if you have an emergency after camp begins, please call the Camp Leader On Duty 30 minutes prior to your arrival at (813) 600-0178. # Attire

Our day camp programs are fun, educational camp opportunities. The majority of the activities take place outdoors. The climate in Florida is very warm and humid with afternoon temperatures average 90°F+ and thunderstorms are common on summer afternoons. All camp programs spend time outdoors and involve a considerable amount of walking. Campers have the potential to get wet any day of the week due to water attractions or from Florida's summer rain showers.

## Camp T-Shirt

The Busch Gardens Camp t-shirt, issued at check-in on the first day of camp, should be worn daily. The camp shirt is easily identifiable for Camp and Park Staff and allow counselors to manage their groups more effectively. Please note that camp t-shirts that are altered in any way, and have been deliberately cut, ripped or torn, will not be allowed.

Additional camp shirts will be available for purchase for \$10 each (Busch Gardens has gone cashless—credit/debit only please). Campers are welcome to wear past years' camp t-shirts as well.

## Shorts

Campers should wear comfortable, quick-dry shorts. Quick-dry shorts allow campers to continue to comfortably enjoy the day if they happen to get wet.

## Footwear

Please dress your camper in comfortable, walking shoes. Campers are permitted to wear open-toe footwear, as long as it has a heel strap. No sandals or flip-flops, please.

## Water Bottle

Each camper is given a camp water bottle on their first day and due to the heat it is highly recommended that they bring their camp water bottles each day. There will be opportunities during camp to visit water refill stations to refill bottles.

## Swim Assessment

Swim Assessments are conducted for all campers that participate in swimming activities to make us aware of their abilities in the water. We are NOT teaching campers to swim. We are using the assessment to document and become aware of their abilities in order to provide them the best experience possible.

If a camper is unable to successfully complete the swim assessment, they will be issued a Coast Guard Approved Life vest for their participation in water activities.

Campers will be asked to do the following as a part of their swim assessment:

- Float on their backs and then on their stomach to demonstrate their comfort level in the water.
- Swim 25 yards across the pool to demonstrate their ability to make forward progress in the water.
- Tread water for 45 seconds to demonstrate their ability to keep their head above water.

# Camp Safety

## Medical Services

Safety is first and foremost a part of every element of Busch Gardens Camp. For all minor injuries and illnesses that occur at a park, the Busch Gardens, Adventure Island or SeaWorld Health Services team is available and will address your camper's medical needs. Counselors are trained in American Red Cross First Aid/CPR/AED and equipped with a first aid kit and AED while offsite. In the unlikely event a serious injury or illness occurs, participants will be transported to Advent Health—Tampa, which is within two miles of Busch Gardens. A Busch Gardens representative will contact you in case such an emergency arises. In order to administer medical services to your camper, all medical liability releases, health history forms, and insurance information must be completed and signed before arriving at camp. Please make sure at least one phone number is U.S. based.

## Weather Emergencies

Camp management and counselors balance the components of the program with the current weather conditions. Weather conditions are monitored closely by our Security department. The enjoyment of the park elements is contingent upon the proximity and nature of weather factors such as lightning or high winds. Rain and afternoon thunderstorms are common in Florida and may affect some camp activities. In the event of lightning or tornado warnings in the immediate vicinity, campers will be moved to the closest indoor location until the threat has passed. Indoor activities are planned if thunderstorms prevail.

Our park observes strict weather protocols. When lightning has been spotted within 3 miles of our park, for everyone's safety, guests and team members are required to seek shelter. Once the weather passes, we can resume activities.

Camp dismissal may proceed as normal during inclement weather but be advised that campers' arrival at the pick-up area may be delayed. You are welcome to wait until the inclement weather passes before proceeding to the pick-up area as dismissal will be extended to ensure everyone's safety. Parents will be notified via text message if Camp Dismissal will be impacted due to inclement weather. To receive text notifications, you must opt in on your CampDoc profile.

During more severe weather, such as a hurricane, camp management will make a decision about canceling a camp on a case-by-case basis. Once camp is canceled, it cannot be rescheduled for the original date even if the weather clears or other factors change. Parents/guardians will be contacted in a timely manner should such an event occur. Camp is not canceled for rain. In the event of dangerous weather (i.e. hurricane) we will notify you the day before about camp closure.

## Rides

All park guidelines for guests when riding a ride also apply to campers (i.e. height restrictions and disabilities). Campers who choose not to participate in this element will participate in another activity with a counselor until the entire group has disembarked the ride.

## Illness

Please keep your camper home if they have a fever, are vomiting, have diarrhea, seem listless, unusually irritable, complains of a stomachache, headache, earache, or seems to be unusually pale or flushed. It is better to be overcautious than to risk exposing the rest of the children and staff to a contagion.

## Camper Conduct

**The following actions/behaviors will result in an immediate dismissal from camp at the parent's expense:**

- Consumption or possession of: alcohol, illegal drugs, tobacco or vaping products
- Possession or use of a weapon— weapons are defined as guns of any kind (including toy guns), slingshots, penknives, switchblades, box cutters, or any other item prohibited by the Federal Aviation Administration (FAA)
- Sexually explicit language or behavior
- Physical assault, fighting, bullying or harassment

In addition to the aforementioned actions/behaviors, stealing, damaging property, lying, cheating or the use of profanity is also not tolerated under any circumstance. Campers who display these behaviors could be asked to leave camp depending on the severity or frequency of the behavior.

Use of tobacco or vaping products (cigarettes, e-cigarettes, cigars, snuff, chewing tobacco) is not allowed. Any such item will be immediately confiscated and the incident reported to parents/guardians.

## Security Search

Busch Gardens Security reserves the right to search through any person's belongings upon entering the park, or if it is suspected that an individual may become in possession of items that are harmful or inappropriate.

# Dining and Shopping

## Lunch

Campers are required to bring their own lunch each day. Please take the following into consideration when packing your camper's lunch:

- Clearly label your child's lunch box with their first and last name.
- Lunches are stored in secure locations, however refrigeration is not available. We recommend that lunches contain non-perishable items or an ice pack to keep perishable items cool.
- We ask lunch containers to be standard size so they can fit within the storage areas provided. Due to limited storage space, please send only soft sided lunch boxes—No hard coolers.
- Campers are not permitted to share any of their lunch items with other campers.
- **Campers attending Splash Seekers, SEA Trekkers, and BG Voyagers will not need to bring lunch.**

## Snacks

Busch Gardens Camp will provide a snack each afternoon. Some available food products may contain or have been processed in proximity to peanut and/or other allergenic ingredients. Please specify any food allergies and/or restrictions on your CampDoc profile. If the snack of the day contains your camper's allergen, an alternate snack will be provided.

## Shopping

Campers WILL NOT have time to shop during camp, and Busch Gardens is not responsible for lost money or valuables. If you are interested in purchasing any Busch Gardens souvenirs, please visit our online store at [www.buschgardensshop.com](http://www.buschgardensshop.com).

**BUSCH GARDENS IS NOT RESPONSIBLE FOR STOLEN OR LOST MONEY OR VALUABLES.**

# Code of Conduct

**Be nice:** Behave respectfully towards counselors, campers, other park guests and animals.

**Be safe:** For the safety of counselors, campers and animals, reckless/unsafe behavior is not tolerated.

**Be smart:** Be enthusiastic, listen to others and participate to the best of your ability.

## Camp Policies

All campers are expected to act in a responsible and courteous manner at all times. Upon arrival to the program, counselors will review examples of acceptable and unacceptable behavior. Use of profanity, stealing, damaging property, lying, cheating, fighting, bullying or harassment will not be tolerated under any circumstance. Campers are expected to be responsible citizens.

## Camp Expectations

Busch Gardens Camps offer enriching academic and social experiences that encourage campers to pursue their interests in animals and the environment.

Each camp program will be as fulfilling as the campers make it. We encourage and expect every camper to be responsible for him/herself by participating in all field activities and projects and making many new friends. Campers should be interested in animals and their environments, and prepared to have once-in-a-lifetime experiences! Throughout the week, whether rain or sunshine, campers may have an opportunity to meet giraffes, parrots, lizards, rhinos, or other species—face-to-face—and have an opportunity to talk with animal care professionals from different zoological backgrounds.

## Behavioral Concerns

Campers are expected to adhere to guidelines set forth by the counselors. If a behavior problem arises, counselors will first discuss the problem with the individual. If the problem continues, the camper may forfeit participation in future program activities, and the parent will be contacted to discuss the problem. If the problem is severe, the parent will be contacted to discuss the problem. Finally, if the problem is not rectified, the parents are responsible for providing transportation for the participant to leave the program and a refund will not be issued.

## Inclusivity Statement

Busch Gardens Camps strive to create an inclusive camp environment that is free from discrimination and harassment and that values the differences of our campers and staff. Specifically, Busch Gardens Camps prohibits discrimination or harassment based on age, race, color, religion, sex, national origin, sexual orientation, gender identity or expression and disabilities.

# Camp Schedules & Itineraries

Campers participate in a variety of activities every day and our schedule is fluid to accommodate the unique nature of a zoological theme park. Campers will spend their day enjoying attractions at Busch Gardens, experiencing immersive exhibits showcasing animals from around the world, participating in interactive activities/crafts within our educational classrooms, and connecting with our animal ambassadors up close and personal.

Our camp activities and schedules are subject to change due to weather, animal needs, park operation or various other unforeseen circumstances without notice. For this reason, we do not provide a written schedule to hand out each day. In this section, you will find your specific camp highlighting important details, including:

- General description
- Camp-o-Meter

## Camp-o-Meter

In an effort to better help campers and their parents prepare for their camp experience, we have developed a Camp-o-Meter. The graphic below showcases the three overarching elements that make up our camp programs and highlights the degree at which campers may experience each element. Our camp icon is placed on a sliding scale to highlight how present an element is within a specific camp. Elements are rated as:

- Mild—This element is still present within the camp’s itineraries, just not a main focus
- Wild—This element is a main focus for this camp
- Middle—Element is considered balanced within the itinerary when icon is in middle

The three elements that make up the majority of our camp itineraries are:

- Animals— Experiencing our diverse animal collection
- Attractions—Experiencing our world-class attractions
- Activities—Experiencing in-depth activities/games/crafts centered around the theme
